

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Karin Martin v Darrell Bedwell**
Docket No. **280749**
L.C. No. **00-027462 DC**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The motion to waive fees is GRANTED for this case only.

The claim of appeal is DISMISSED for lack of jurisdiction. Pursuant to MCR 7.203(A)(1), a claim of appeal is limited only to the order of September 18, 2007 that affected the custody of a minor. A review of the docketing statement filed by appellant shows that the September 18, 2007 order is not being appealed, but instead an earlier order that does not affect the custody of a minor is being appealed. The appeal of that order must be by application for leave to appeal under MCR 7.205.
